

# What On-Demand Mobility Means for Today's Traveler

From reservation to drop-off, today's car rental experience is faster, easier and more transparent than ever before with Avis Budget Group.

## NEED A VEHICLE?

"Alexa, I need a car tomorrow..."

Book reservations instantly through Amazon Alexa.

## GET ON THE ROAD, FASTER

Collecting your car after a flight? Use the Avis App when you land to track the location and arrival time for the next Avis shuttle at airport locations.\*

## NEED A QUICK CAR FOR ONLY A FEW HOURS FOR ERRANDS OR A BEACH TRIP?

Zipcar, the world's leading car sharing network, is another option from Avis Budget Group, offering on-demand cars closer to where you live.

## FANCY A DIFFERENT VEHICLE? THE AVIS APP MAKES IT POSSIBLE TO...

- View which cars are available in real-time
- Change or upgrade vehicles while on the Avis lot
- Control & time savings: Confirm, cancel or extend a rental
- Receive important real-time notifications about trip
- Access an instant view of the rental agreement
- Obtain assistance on-demand

Approaching 2 MILLION Avis App transactions since launch

500,000 unique customers

WITH MORE THAN 100,000 CONNECTED CARS IN THE AVIS BUDGET GROUP FLEET AND WORKING TOWARD FULL FLEET CONNECTIVITY BY 2020, travelers can... Flash the headlights, lock and unlock the vehicle, and verify fuel levels and mileage with a tap of the app! And in select cars, even start the engine.\*\*\*

## READY TO HEAD HOME?

- Return the car without needing to see an agent\*\*
- Get automatically reimbursed if the vehicle's returned with more fuel than it started with

## CURBSIDE DELIVERY:

Travelers returning a car to more than 35 Avis U.S. airport locations can even meet an agent at a designated pickup spot and be driven to the departures area, like airport curbside, finalizing the drop-off process along the way.

\*Available at select locations

\*\*Only available to Avis Preferred Members

\*\*\*Enabled through Continental's Key-as-a-Service technology
